I am happy to learn that the Central Vigilance Commission is organizing Vigilance Awareness Week from 26 October to 1 November 2021 with the theme of "Independent India @ 75 : Self Reliance with Integrity" this year.

Observance of Vigilance Awareness Week brings together all stakeholders to collectively participate in the prevention of and fight against the corruption. The Commission's initiatives reach out to the common citizens of the country through various programmes viz. gram sabhas, lectures, meetings, seminars, competitions etc. to create awareness towards the policy of achieving transparency, accountability and corruption free governance. The observance of vigilance week and collective alertness of all citizens will inspire people to rededicate themselves for new work culture of transparency and responsibility.

The vision of this Government under the dynamic leadership of our Hon'ble Prime Minister is to wipe out corruption from our system and to bring about complete transparency in governance. In new India, there is no tolerance for corruption.

On this occasion, I wish the Central Vigilance Commission all success in its endeavour in observing the Vigilance Awareness Week 2021.
